

Questions for “Commuters of Burbank”

Short magazine-interview-styled blog posts for our new BTMO website. These posts profile a new commuter in Burbank each month and ask them for thoughts about their commute. Each post will cover different ways to commute to/from Burbank – working-from-home, walking, biking, carpooling, scootering, transit, and more.

Please send us 1-3 pictures of you during an average commute. It could be of you working-from-home, walking, biking, scootering, running, carpooling, vanpooling, or taking the bus, train, etc!

Interview Questions: (please answer all, or most, of the questions with 1-6 sentences per answer)

1. Where do you work in Burbank?
2. How do you get to work on a typical day?
3. What is the best part of your commute?
4. What/who compelled you to begin commuting this way?
5. Do you have any interesting commute stories you'd like to share?
6. Are there any commuting tips that you'd like to share with people working near you?
